Good morning, boys and girls! How are you? Today we'll have an unusual lesson. You can see many guests. But I want you not to be afraid of speaking and get only good and excellent marks!

Today we are going to talk about special days of our planet, holidays that people celebrate in Britain and Belarus. But at first I want to check what you already know about them. Look at the board! What holidays are celebrated in Britain and in Belarus? When do they celebrate them? How do they celebrate these days? What do they do? Don't you know? Well, it will be the aim of our lesson today- to learn more about different holidays in both countries- Belarus and Britain.

## 2. Основной этап

### A. Обучение чтению.

At home you had to read 4 texts about British special days and match them with the pictures above. But at first translate the following words and word combinations into Russian.

- Предтекстовый этап.  
heart-shaped- в форме сердца;  
a gun- пистолет, оружие;  
Tower of London- Лондонский Тауэр;  
begin-began- начинать;  
better- лучше;  
military parade- военный парад;  
before noon- до полудня;  
find- находить.

- **Текстовый этап**

Now read the text aloud once again. What is the first (the second, the third, the fourth) text about? Let's read the texts once again!

- **Послетекстовый этап.**

1) Now look at ex. 1b p. 108. Answer the questions in pairs! Let's check your answers!

2) **Физкультминутка (Приложение 1)**

**В. Обучение говорению**

3) Now let's compare British special days with Belarusian ones! What is common and what is different about these days in Britain and Belarus?

I'll give you a sheet of paper and you are to write how they celebrate these days in both countries. (Учащиеся заполняют таблицу и защищают ее у доски. Кластер заполняется).

4) Now you can see how much information we have. Now let's talk about such holidays as Victory day, Independence Day and there is one more special day celebrated in Belarus – Women's Day. Do you know it? When do people celebrate it? Your task is to make up sentences about these holidays. (ex. 2a)

5) Well done, pupils! Now you are to represent Victory Day, Independence Day and Women's Day. Look at the following pictures and make up a story about these days. (Приложение 2)

3. **Конец урока. Подведение итогов урока. Рефлексия. Объяснение домашнего задания. Выставление и комментирование отметок за урок.**

Dear children, time is up and we are to finish. Your home task is ex. 4. Did you like the lesson? Look at the screen and appreciate your work. Thank you for the lesson. Good-bye!
